Feature – Leduc Senior Centre Library!

We are so fortunate to have our own little library and puzzles for our members to borrow.

Our library began operating in the 1980's. It is located in the lounge area on the upper floor. Over the years we created sections for fiction, non-fiction, romance, large print, and audio books for people to enjoy. Recently we added a rack for CD's. We also maintain a puzzle library downstairs in the card playing room. Our next project is a DVD section. Everyone is welcome to borrow from our library and donations are always appreciated. Thanks to our volunteers who keep the library organized by sorting donations and reshelving items. Also thank you to all those who donate to our well used library.

We are always looking for donations of books, CD's, DVD's and puzzles. Please feel free to drop them off at Telford House. We would like to expand our large print book selection and would appreciate donations for that.
