Feature Activity...The Telford Knitters!

A fun group of ladies (about 25 of them!) get together on Thursday Mornings from 9:30 - 11:30am to work on yarn projects at Telford House. The experience level ranges from beginner to well experienced. Many, many balls of yarn are donated throughout the year for this group to use. Some knitters like to work at home instead and bring in their projects.

The Telford Knitters sell their many projects at our craft and bake sale, at special event lunches and through the display cases that were donated this past year at Telford House. They then donate all the proceeds from their sales to the Leduc and District Senior Centre to support the programs offered there. In 2025 they donated \$1,720 to LDSC.

The group would be happy if you came out to join them. New people are always welcome.
